

Corrections and Additions to the Timeline

A sincere effort has been made to verify the authenticity and accuracy of information. Whenever possible the information has been crosschecked with various sources. It should be noted that some dates could not be verified.

This timeline is intended to serve as a framework for additional historical information relating to the founding and growth of Grove City. Additional information as well as corrections from individuals, organizations, and companies is encouraged and welcomed. The timeline will be corrected and updated periodically as new information becomes available.

Please contact Ralph Packard at packard@zoominternet.net with any additions and corrections. Information is welcomed at this address. Please send text, memories, pictures, and web addresses for consideration.
